

The Future of Energy: An Educator's Toolkit

BROUGHT TO YOU BY:

STATE OF RHODE ISLAND
ENERGY EFFICIENCY &
RESOURCE MANAGEMENT COUNCIL

IF YOU ARE A RHODE ISLAND EDUCATOR, WE NEED YOU!

GBRI has partnered with the RI Energy Efficiency and Resource Management Council to provide FREE energy efficiency training for educators in Rhode Island.

Whether its teaching about energy efficiency, climate change or social equity – educators play a crucial role in molding children to be part of an ever-changing world. Empowered educators have proven to not only lead by example but also lay the groundwork for the generational shift we need today.

Our curriculum utilizes the National Energy Education Development (NEED) Rhode Island curriculum and will help you educate & engage students in meaningful actions on topics such as complications surrounding energy production, climate change, energy justice and energy equity.

WHAT IS INCLUDED?

- Free Rhode Island specific energy curriculum
- 3 hours of continuing education credits per session with the potential to earn up to 16 more credits
- Fully customizable PowerPoint slides and materials for future use in classrooms
- Creative short videos to share with students and social media
- Interactive activities & student engagement ideas
- Course certificate and socially shareable Energy Equity badge
- \$75 Amazon gift card on training completion - WHILE SUPPLIES LAST!

Choose one of the sessions below and earn 3 Continuing Education Credits

2.00 - 5.00 PM ET

Wednesday, December 7, 2022

6.00 - 9.00 PM ET

Who should join?

If you are a Rhode Island educator, we need you! Help empower students on energy, sustainability, mindfulness, social equity, green buildings, and more!

What's Included?

This program provides courses, articles, and resources, news and events, and stories of change for educators. Teachers will have access to our fully customizable sustainability school curriculum for K-12 students. Make sustainability education accessible to students & your community!

Why should you attend?

- Earn 3 CE credits (potential to earn 16 CE credits with our on-demand material)
- Free access to our fully customizable energy-focused curriculum
- Rhode Island specific NEED Energy Curriculum
- Interactive activities & student engagement ideas
- Certificate of Completion
- Teacher incentives - \$75 Amazon gift card

Do I need to attend all in-person & online sessions?

No, you can choose whichever session works best for you or watch the material on-demand. Educators will earn 3 CE credits for each session they complete (live online, in-person and on-demand).

How can I reserve my Amazon gift card?

To reserve a gift card register for one of our live online or in-person sessions or complete the training on-demand prior to December 8, 2022. Gift cards only available for educators in Rhode Island and are offered on a first come, first serve basis.

How do I receive my Amazon gift card?

To receive the gift card please register & attend one of our live online or on-demand sessions prior to December 8, 2022. Upon successful completion of our simple exit survey your gift card will be sent via email within 24 business hours. For those who complete the material on-demand, the survey link will be available along with your certificate of completion once you have completed all our energy training.

What's the catch to receive the Amazon gift card?

There is no catch! Register and complete one of our live online, in-person or on-demand sessions prior to December 8, 2022. Registration is completely free - no credit card required, and includes access to all mentioned items, including the Amazon gift card. Upon successful completion of our energy training a certificate of completion & simple exit survey will be sent. Amazon gift cards will be sent via email within 24 business hours of completing your exit survey. Gift cards are only available to Rhode Island educators who complete their training prior to December 8, 2022 .

Do I have to use my gift card on specific items?

You can use the gift card to buy supplies to support energy education in your classroom or utilize it for your other needs. Whatever you choose to spend your gift card on, we'd love to see pictures of how you are utilizing it in your classroom!

How do I access the on-demand material?

The on-demand material can be accessed at any time from your GBRI on-demand account. Your account login details were sent shortly after course registration. To reset your account password, please click [here](#).

What if I am no longer able to attend the live session I registered for?

No problem! All our live sessions also include access to our on-demand material. The on-demand material can be accessed from your GBRI account at your convenience.
